

№	Question	Answer
1.	Please provide Wartime Stock Storage Contract No. 100-Д-43/12.02.2009 with the State Reserve and Wartime Stocks State Agency.	The answer to this question was provided in the file Q&A_22.10.18_1, item 2. Please note this question was already answered. We once again kindly invite the economic operators to actively track and review the questions asked and answered, as published in the “Q&A“ Section of the Concession’s website. To assist the Economic Operators and to make references faster and easier, a Summary table of the questions and answers , also published on the Concession’s website, is updated on a regular basis.
2.	Please provide information on all deposits and bank guarantees provided under the Standard Ground Handling Agreements.	All deposits are made in accordance with the respective Agreements. Seasonal operators make the deposit prior to flight program implementation. The nominal amounts are agreed upon and included in the Ground Handling Agreements, which are available for review in the Physical Data Room under terms and procedures specified in Clause 5.1 of the Tender Documents.
3.	In your answer QA_15.10.18_1 you confirm that the ground handling agreement with Wizz Air shall expire on 31.10.18 while the agreement disclosed in the physical data room provides for Initial period of validity until 31 March 2016, where after the agreement shall remain in force until terminated upon prior notice. Please provide all annexes to the agreement.	The information is available for review in the Physical Data Room under terms and procedures specified in Clause 5.1 of the Tender Documents– Appendix 3.92
4.	Please confirm which systems operated by Sofia Airport shall be included in the concession of the airport, like the aviation noise monitoring system.	A detailed description of the land properties and facilities, representing public state property and constituting the Object of the Concession, which will be handed over to the Concessionaire, is provided in the Tender Documents.
5.	With reference to Schedule 3: "Content of the applications and offers" please note that on VDR we can find available only “pdf formats”. It is really important to receive the Forms in Bulgarian and English in WORD and EXCEL format respectively as per their latest version.	An updated Word-version of Appendix 3 to the Tender Documents in both Bulgarian and English is published on the Concession’s website under “Procedure”. Form G (“Total Net Worth”), Excel spreadsheet, has not been amended during the last revision of the Tender Documents. It is available for review in the Virtual Data Room since 19.09.2018 – Appendix 1.22.
6.	Clause 7.3 and Bid Submission Deadline: Due to the number of pending questions in VDR, the amendments in the Concession Agreement as well as	At present we do not foresee an extension to the Applications and Offers Submission Deadline.

	the time required for Apostile procedures and translations in Bulgarian we believe the time until 22/11/2018 is not sufficient. Hence we would appreciate to receive an extension of three more weeks.	
7.	In accordance with the Tender Documentation, as amended on 6 October 2018, Sofia Airport EAD has obtained an Operational Fitness Certificate No 1008 of 14 August 2018 of the AGL System. We kindly ask you to provide a copy of this certificate to be reviewed.	The information is available for review in the Virtual Data Room since 23.08.2018 – Appendix 13.1.4.
