

№	Question	Answer
1.	Please provide in full with deleted personal data Agreement Ya 10959 of 28 December 2017 between Sofia Airport EAD and Sofia Fire Safety and Population Protection Directorate especially Attachment 2 - table 3 with reg. No. 4576p-2374/06.04.2017.	The information is available for review in the Physical Data Room – Appendix 3.96.
2.	Please confirm that the amounts under item Contracted services /fire service support/ for 2018 and 2019 in file with index 1.34 in the virtual dataroom match the monthly price for the respective year as agreed in Art.5, Para.1 of Agreement Ya 10959 of 28 December 2017 between Sofia Airport EAD and Sofia Fire Safety and Population Protection Directorate.	<p>The price in Article 5, paragraph 1 of the Agreement was amended by annexes No. 100-A-257/28.06.2018 and No. 100-A242/19 .06 .2018.</p> <p>The information for 2018 and 2019 (forecast) provided in file 1.34 matches the monthly price calculated for the year in question as defined in Article 5, paragraph 1 of Agreement Ya 10959 of 28.12.2017 and the annexes thereto, concluded between Sofia Airport EAD and the Fire Safety and Population Protection Sofia Directorate.</p>
3.	Could you confirm what is the depreciation policy that the concessionaire should assume for the building blocks mechanism (for setting up the aeronautical charges)? Should it be used a technical asset life for each type of asset (as it could be interpreted from the Ordinance of the aeronautical charges) and, if so, can you confirm what happens with the assets that are not fully depreciated at the end of the concession, should there be a write-off?	Please refer to the Tender Documents Schedule 4, Section 2, Part B “Financing Plan requirements” - 3 d), which outlines the requirement of using the straight-line depreciation method. It is expected that assets are handed back fully depreciated and in accordance with the relevant accounting standards.
4.	Please confirm what is the expected amount that the airport will charge the concessionaire in concept of intellectual property as referred in the concession contract?	The value of the Intellectual and industrial property rights will be determined through independent valuation in the Transition period
5.	Regarding question 160, is this answer backed by the regulatory authority (DG CAA), if affirmative, please provide the document or support with the regulator’s opinion or confirmation.	<p>Under Art. 16 e, paragraph 1 of the Civil Aviation Act (CAA), DG CAA is the national independent supervisory authority within the meaning of Directive 2009/12/EC of the European Parliament and of the Council of 11 March 2009 on airport charges and as such under Article 16 e, paragraph 2, item 1 of the CAA it has jurisdiction in disputes between the airport operator and the airport users on the appropriateness and legality of determining the amount of airport charges and on the justification for changing the amount of airport charges.</p> <p>The airport operator is the one who determines the amount of airport charges by applying the <i>Methodology for determining airport charges</i> which are collected by the airport operator of an airport with an annual traffic of more than 5</p>

		<p><i>million passengers or by the airport operator with the highest number of passenger traffic on the territory of the Republic of Bulgaria (Sofia Airport), constituting Appendix 1 to Art. 1, paragraph 3 of the Ordinance on charges for use of airports for public use and air navigation services in the Republic of Bulgaria, in compliance with the principle of cost-orientation of airport charges.</i></p>
<p>6.</p>	<p>In relation to your answers provided to the two questions under No 3 in the Q&A of 23 November 2018, we would kindly ask you to confirm that your answer to question (i) is intended to clarify and confirm that the entity identified as “Entity acting as AO” in the chart, submitted by us with respect to these questions, needs to be a direct shareholder of the Concessionaire of Sofia Airport and cannot be holding its shareholding in the Concessionaire through a chain of entities</p>	<p>The answer to this question will be further clarified in reference to answers to related questions.</p>
