

	Question	Answer
1.	Please confirm there is a possibility to issue one more certificate under Regulation (EC) No. 216/2008 to verify that an airport operator is authorized to operate and manage the Sofia Airport, for the period of validity of Certificate No. BGBLBSF.	This will not be possible. According to the Bulgarian law (the Civil Aviation Act) there may only be one operator per airport, either a sole-ownership commercial enterprise with state share participation, or a concessionaire.
2.	Please provide in their entirety the appendices to Operability Certificate No. 1 of 30 October 2016 for the Sofia Airport.	The information is available for review in the virtual data room – Appendix 13.13 – file ‘Appendix 2’.
3.	Please provide in their entirety the appendices to Operability Certificate No. 944/05.09. 2017.	There are no attachments to Operability Certificate CTC No. 944/05.09.2017. As regards attachments to the new Operability Certificate No. 1008/14.08.2018, the information is available for review in the virtual data room – Appendix 13.1.4 – file ‘Appendix 3’.
4.	Please provide in its entirety Appendix No. 1 to Operability Certificate No. 1Y/15.07.2015.	The information is available for review in the virtual data room – Appendix 13.1.5 – file ‘Appendix 4’.
5.	Please provide in their entirety the specifications to Aviation training center certificate No. 16/05.11.2007	The information is available for review in the virtual data room – Appendix 13.1.6 – file ‘Appendices 5.1, 5.2, 5.3.’
6.	Please confirm that an aviation training center certificate constitutes a permit within the meaning of the definition of ‘Permits and consents’ in the draft Concession Agreement.	The term ‘Permits and consents’ would include an aviation training center certificate, in case the Concessionaire decides to carry out trainings for which such certificate is required, whereas there should also be compliance with the provisions of Ordinance No. 27 on aviation training centers of 31 March 2000.
7.	Please confirm that an aviation training center certificate constitutes a permit within the meaning of the definition of ‘Permits and consents’ in the draft Concession Agreement.	Please see the answer to question No. 6.

8.	Considering that Sofia Airport EAD holds an operator certificate No. BGLBSF – 001 for the Sofia airport, please confirm whether it will be possible to issue a second valid operator certificate for the Sofia airport under Regulation (EC) No. 216/2008 in parallel with certificate No. BGLBSF – 001.	This will not be possible. According to the Bulgarian law (the Civil Aviation Act) there may only be one operator per airport, either a sole-ownership commercial enterprise with state share participation, or a concessionaire.
9.	Please provide all agreements, annexes, arrangements with third parties and other documents in relation to the firefighting service of the Sofia airport.	The information is available for review from 17 August 2018 on, on-site the physical data room, in compliance with the terms and conditions in clause 5.1. of the Documentation for the concession – folder ‘Answers published on 17 August 2018’.
10.	Please confirm that the airport medical service is manned entirely with Sofia Airport EAD employees or provide all agreements, annexes, arrangements with third parties and other documents in relation to the airport medical service.	The information is available for review on-site the physical data room, in compliance with the terms and conditions in clause 5.1. of the Documentation for the concession – Appendix 3.25, folder 3.
11.	Please provide copies of all licenses, permits, certificates, bank guarantees, orders and/or other administrative decrees (or other relevant documents and/or information, when such decrees are not available or when there are other conditions not confirmed with the relevant administrative decree) concerning any licensing or registration regime applicable to the commencement and/or carrying out of any regulated activity: <ul style="list-style-type: none"> a. duty-free trade license; b. warehouse operational license(s); c. license to trade with alcoholic beverages and tobacco products; d. other licenses, permits, certificates, etc. necessary to carry out the relevant operations. 	The information is available for review in the virtual data room – Appendix 13.8 – file ‘Appendix 11.1’.
