| 1 | Please provide an agreement between Sofia Airport EAD and the heating utility Toplofikatsiya EAD which provides for the right of transit of the natural gas supplied for the needs of Sofia Airport EAD through the gas pipeline owned by Toplofikatsiya EAD from gas distribution station (GDS) 1 – Sofia Kazichene to valve station 1 (KB N 1)“. | The information is available for review on-site the physical data room in compliance with the terms and procedure under Clause 5.1. of the Documentation for the concession – <b>Appendix 3.57.</b>  |
| 2 | Please confirm for which needs of Sofia Airport EAD the natural gas is used.   | The natural gas used by Sofia Airport EAD is for the heating of water for heating purposes, as well as for hot water for utility hot water supply (UHWS).  |
| 3 | Please provide the effective agreement for natural gas supply for the needs of Sofia Airport EAD.  | The information is available for review on-site the physical data room in compliance with the terms and procedure under Clause 5.1. of the Documentation for the concession – <b>Appendix 3.58.</b>  |
| 4 | Please provide use permit No. 856/20.11.2006 by the National Construction Control Directorate (NCCD) in relation to the gas infrastructure used by Sofia Airport EAD.  | The gas infrastructure used by Sofia Airport EAD falls under item 7 ‘Site grids and external lighting’ of use permit No. 856/20.11.2006 by the NCCD.<br><br>See Appendix ‘App_tender_doc_2_part_2_t.32.pdf’ of the Documentation for the concession, published on the <a href="http://www.concession-sof.bg">www.concession-sof.bg</a> website, under the Procedure section.   |
| 5 | Please provide an agreement for access to and transmission through the gas transmission network of Bulgartransgaz EAD, as well as any other agreements required in relation to receiving supplies of natural gas, including a balancing agreement.   | Sofia Airport EAD has a contractual relationship with the natural gas public utility (Bulgargaz EAD), whereas the relations between the natural gas transmission network operator and the public utility are the subject matter of agreements to which Sofia Airport EAD is not a party. The place of receiving the quantities of natural gas for Sofia Airport EAD is a gas flow metering unit installed at GDS 1 - Sofia Kazichene. Sofia Airport EAD does not conclude any other agreements in relation to the supply of natural gas. |
| 6 | Please confirm that Sofia Airport EAD uses a distribution network to receive natural gas supplies. If so, please provide the agreement for access to and transmission through the gas distribution network, as well as and any other agreements required in relation to receiving natural gas supplies, including a balancing agreement.           | Sofia Airport EAD receives natural gas from the public utility Bulgargaz AD at the access point GDS–Sofia 1 (Kazichane). Sofia Airport EAD has no contractual relations with Bulgartransgaz EAD. The contractual relations for access to and transmission through the gas transmission network of Bulgartransgaz EAD are the responsibility of the public utility Bulgargaz AD.  |

| 7  | Please provide your current agreement for diesel supply to Sofia Airport EAD for heating purposes.  | The information is available for review on-site the physical data room in compliance with the terms and procedure under Clause 5.1. of the Documentation for the concession – <b>Appendix 3.59.</b>   |
| 8  | <p>In relation to the answer to question No. 6 in document 18_1 of 16 August, please confirm when it is planned for Sofia Airport EAD to be registered as a participant on the electricity market with freely negotiated prices.</p> <p>Please confirm whether the Concessionaire will be able to register as a participant on the market with freely negotiated prices and choose his electricity supplier upon his own discretion. Please confirm that the provision of Article 102a, paragraph 1 in relation to Article 102a, paragraph 3 of the Electricity Trading Rules does NOT constitute an obstacle to the free choice of supplier by the new user of the site.</p> | <p>Sofia Airport EAD does not use a distribution network to receive natural gas supplies; rather, it is in a contractual relationship for the right of access to the gas pipeline diversion of Toplofikatsiya AD through which the natural gas is transported from the gas distribution station GDS–Sofia 1 (Kazichene) to valve station 1 (KB N 1).</p> <p>Sofia Airport AD has prepared documents to carry out a procedure for participation on the free electricity market.</p> <p>The rules for registration on the electricity market and supplier change are provided for in the Energy Act and the Electricity Trading Rules. According to Article 95 of the Energy Act, each consumer has the right to choose an electricity supplier regardless of the EU Member State in which the relevant supplier is registered, provided that the supplier is in compliance with the rules under Article 91, paragraph 2 of the Energy Act; according to paragraph 2 of the same article, the network operator shall make the change of supplier in compliance with the Electricity Trading Rules within three weeks of receipt of the written request therefor by the consumer. The Concessionaire should comply with the legal requirements, and the provisions referred to in the question concern conditions which need to be fulfilled by the new user of the site in case the Sofia Airport EAD site is registered on the free market as of the date of conclusion of the Concession agreement.</p> |
| 9  | Please confirm the user category of Sofia Airport EAD according to necessary electricity supply under Ordinance No. 3 of 9 June 2006.   | Sofia Airport EAD is a FIRST category user by electricity supply according to the provisions of Article 44 of Ordinance No. 3 of 9 June 2004 on the structure of electricity installations and electricity transmission lines.  |
| 10 | Please provide a copy of the appeal on the grounds of which administrative court case No. 766/2018 was initiated before the Supreme Administrative Court.   | The answer was published on 23 August 2018 – answer No.7, file Q&A_23.08.18_5.  |
